SKILLS

- **Software Engineering:** Problem Solving,MDM Concepts,Data Warehousing ,identifying problem,big data analytics ,Software Architcture .
- **Programming Languages:** SQL, PL /SQL, Shell Script, MySQL, Scala ,R Programing ,Python
- **Web Development:** PHP, Node.js
- **Tools & Platforms:** AWS, Linux
- **Databases:** Mysql, Oracle SQL
- **Soft Skills:** Very good communication and presentation skills.

EXPERIENCE

- **Ejada** Riyadh, KSA
Senior Software Engineer *Jun 2017 – Preasent*
 - **Alinma Bank:**
 - * **DataWarehouse - Informatica Powercenter , DataQuality :** Design ,develop and enhance existing map in Informatica Powercenter for better performance Setting up Disaster environment for informatica and provide the end to end solution design, implementation DataQuality Rules . Built using Informatica DataQuality Suite.
 - * **DataWarehouse - ETL:** Developed Initial & Daily loading Informatica ETL jobs.
 - * **Oracle Big data- Informatica Big data Management :** Install Informatica Big data and testing End to End connection to connect to oracle Big data loading data from various source to hive and Hbase table using Informatica big data managment (BDM)
- **Ejada** Riyadh, KSA
Software Engineer *mar 2015 – April 2017*
 - **Alinma Bank:**
 - * **DataWarehouse Project:** Building the infrastructure of Alinma Bank DWH Developed Informatica job to push data from EDH to Staging Area Then load to Target Dimension and Fact table. Develop Informatica job to load Initial and Historical data from OFDM Creating sql verification query to verify the Old OFDM and new DWH
- **Ejada** Riyadh, KSA
Software Engineer *April 2013 – Mar 2015*
 - **IBM/Mobily Telecommunication :**
 - * **ETL Developer -Data Stage 7.5x, 8.1 ,IBM MDM:** Developed Datastage job to push data from staging area using various stages according to the technical document (EDH) Developed Datastage job to push data from Various Source to IBM-MDM (Master Data Management) Batch process Developed various Test Cases for Different Telecom Projects Based on the Specification Document
- **GoAhead Consulting (Europe) Limited** Riyadh, KSA
Software Engineer *Aug 2012 – April 2013*
 - **EJADA/Mobily Telecommunication :**
 - * **ETL Developer -Data Stage 7.5x, 8.1 :** Developed Datastage job to push data from staging area using various stages according to the technical document (EDH) Developed various Test Cases for Different Telecom Projects Based on the Specification Document
- **SquadM Technologies** Bangalore, Ind
Software Engineer *Sep 2010 – Feb 2011*
 - **FIS Global :**
 - * **ETL Developer -Data Stage 7.5x:** Developed job to extract data from database to required table Files Using Various Stages Developed various Test Cases

EDUCATION

- **Visveswaraiah Technological University** Karnataka, India
Bachelor of Engineering in Computer Science Technology *B.E -Pass out - 2009*

ONLINE MOOCs

- **Oracle university** : Oracle Big Data Implementation Specialist, Hadoop Data Access, Hadoop Administration, Spark.
- **Ultimate Hands-On Hadoop** : Udemy
- **CCA131 Cloudera CDH 5 6 Hadoop Administrator Master Course**: Udemy
- **Machine Learning (Stanford University)**: by Andrew Ng.

CERTIFICATION

- **Oracle Big Data 2017 Certified Implementation Specialist**
